

HOLIDAY HOMEWORK

CLASS-IV

SOCIAL STUDIES

As we all know, Northern boundary of India is protected by high mountain ranges of Himalayas. Let's have fun and explore the ranges of Himalayas.

Make a model of all the three ranges of Himalayas i.e. Himadri, Himachal and Shiwalik. Find out the highest mountain peaks and label their names with their height. You can use thermocol, paper, cotton, paint colours and waste material to make the model.

Revise the chapters done in the class.

SCIENCE

1) Make some insects by using the shells and colour them on A-4 size sheet. [Refer ch-5 of N.C.E.R.T.]

2) Visit at least one place in your holidays and write the experience of your journey in your science activity file. [Refer ch-6 of N.C.E.R.T.]

3) Find about the different state's languages, clothes, food and landforms and also paste their pictures in science activity file. [Refer ch-7 of N.C.E.R.T.]

4) Project for PT-1 - find out the samples of different types of clothes and paste it in your science file and label them.

NOTE- Do the back exercise of chapters-5, 6, 7 of N.C.E.R.T.

ENGLISH
