

Hands on Learning for the students of Pre - Primary
With the temperature soaring high, it was reason enough to teach the students the usefulness of enjoying home made drinks, made of natural substances, e.g- Lemonade.

Pre-Primary enjoyed learning to make lemonade on Friday, 2 April, 2014. The activity ended with a glass of lemonade for all! And wow didn't they enjoy it!

English Extempore Competition (2014-15)

Day: Wednesday Date: 30th April, 2014

Classes: VI (All Section)

As part of Intra Class Competition Class VI conducted its English Extempore on Wednesday, 30 April, 2014. The finalists were selected after a Preliminary Round conducted earlier. It is pertinent to mention that participation in the Prelims was 100% as all students were given an opportunity to compete. Participants spoke with confidence and great élan. The topics selected were not only topical but also thought provoking.
