Workshop on Body Language

New Delhi 24th July, 2014: A workshop was conducted for Classes IX A, B, C, on "Body Language". The workshop touched upon various areas related to Body Language which included body movement, gestures, posture, eye contact, skin coloring, tone of voice, the speed in which one should ideally deliver a speech, the pitch of voice as well as verbal & non verbal communications. Students were made aware that blindly copying & following styles of other personalities was not healthy and must be avoided. One should be aware that each individual's body Language and clothes reflect an individual's personality. The workshop gave tips on how to be effective without shouting and to take special care to check phonetics, tone Words that are paced out and spoken well attracted the attention of the listeners. A PPT was shown after which students interacted with the resource person, Mrs. Ira Sharma and sought clarifications to clear their doubts.

Birthday Celebrations – Pre – Primary Sections

New Delhi 22nd July, 2014:The tradition of celebrating birthdays of students in the Pre-Primary sections is very popular with the students. Birthday children are grouped together, given gifts while all the other children wish them. A little treat is then enjoyed by all. Photographs are clicked to keep the Happy Memory Alive!

New Delhi 19th July, 2014: Keeping in mind the complexities and challenges that have to be dealt with course selection and admission processes, a workshop was held in the school campus for students of classes XI & XII

The students were acquainted with college admission process and available support service that helps to throw light on career options along with colleges where the students could seek admission. It was an informative experience for the students of senior classes.

Founder's Day - A Report

New Delhi, 10th July, 2014:The school celebrated Founder's Day on 10th July, 2014. Founder's Day is observed in the memory of the Founder Father of the school, as a mark of respect for His Holiness, Late Sri Vibhudesha Teertha Swamiji. This day is set aside to pay tribute to this great educationist and visionary who firmly believed that the future of the nation lies in its children. The Chief Guest for the occasion was Dr. Bipin Joshi, Principal Scientific Officer, Dept. of Science and Technology, Govt. of India. Dr. Joshi gave a talk on 'Value of Education in Science and the Modern Generation'. The high-lights of the day were a cultural programme presented by the students and an exhibition of Working Models based on scientific concepts. Shri H.L. Suresh, Vice Chairman, Poorna Prajna Public School, too addressed the students and advised them to uphold the tradition of the school and to become achievers in whatever they choose to pursue. Sweets were distributed to all the students.
